Dear [redacted]

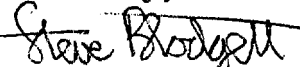

As promised, I am following up our telephone conversation of this morning with a written request for an Agency briefing for the Washington Semester Program. It was nice having the chance to talk with you again after my sojourn in London. If at all possible, we would like to arrange the briefing for the morning of Friday, January 27. I realize that this is a busy period and our request is untimely, but the 27th would be the best date in terms of the students' curriculum. Should this prove inconvenient, Friday February 3 would be the next preferred date.

As in the past, about ninety students will be attending the briefing and we will be arriving in two buses. Beginning the session at 10:00 am. and having it end at approximately 11:30 a.m. would be most suitable, as the group will be moving on to the Pentagon after visiting the CIA. When I hear back from you about dates and times, I will send off a list of participants with appropriate information for the security people.

Again, I apologize for the late request and the difficulties this may present. As I have only been back in Washington for a week and a half, I hope you will understand. As always, we appreciate all your efforts in our behalf and the Agency's willingness to help us with our program. Please contact me at 686-2368 if I may be of any assistance. I look forward to hearing from you and to seeing you out at Langley.

CONGRESSIONAL REQUESTS FOR SPEAKERS

According to Mr. George V. Lauder, Director of Public Affairs, the new policy on providing Agency speakers for groups of constituents of Senators or Congressmen is that we will not bring constituent groups out to Headquarters. We will send a CIA speaker to the Hill to address such groups.

Exception: If OLL has a special need to assist a member of the House Intelligence or Senate Intelligence Committee, or a Senate or House leader, every effort will be made to accommodate them.

Note: Any requests for Agency speakers from the Hill should be coordinated with OLL/LD. |
